THOMAS MERTON. "The truth that many people never understand, until it is too late, is that the more you try to avoid suffering the more you suffer because smaller and more significant things begin to torture you in proportions to your fear of being hurt."

PRAYER for the BLESSING OF RAIN

Bless Australia – Our Great South Land of the Holy Spirit.

Grant that as the Cross shines in our southern skies, so may Christ bring light to our nation, to its peoples old and new.

May we receive the blessings of abundant rain so that the 'desert blooms with the life that lies in wait.

We ask this through Christ, Our Lord. Amen
By Fr Tony Percy VG

A PRAYER FROM POPE FRANCIS.

*Lord, make us instruments of your peace
Help us to recognize the evil latent in a communication that does not build communion.*

Help us to remove the venom from our judgements.

Help us to speak about others as our brothers and sisters.

You are faithful and trustworthy: may our words be seeds of goodness for the world;

Where there is shouting, let us practice listening;

Where there is confusion, let us inspire harmony;

Where there is ambiguity, let us bring clarity;

Where there is exclusion, let us offer solidarity;

Where there is sensationalism, let us use sobriety;

Where there is superficiality, let us raise real questions;

Where there is prejudice, let us awaken trust;

Where there is hostility, let us bring respect;

Where there is falsehood, let us bring truth.

WORLD MISSION SUNDAY 20 OCTOBER 2019

This year's Catholic Mission Church Appeal highlights its life-saving work in Ghana, where through programs designed to rescue vulnerable babies and children, to foster and develop a brighter future.

CATHOLIC VOICE- The October issue carries some excellent articles. Tim Fischer AO, extraordinary. Missionary Month of October 2019; The freedom to be Catholic, Religious Discrimination Bill – key facts (**must read**), attacks on religious communities a wound on all humanity. President Trump tells the UN..... much more and more. Please take a copy home

CATECHISM 475 – When are scientific, medical or psychological experiments on human individuals or groups morally legitimate? They are morally legitimate when they are at the service of the integral good of the person and of society, without disproportionate risks to the life and physical and psychological integrity of the subjects who must be properly informed and consenting.
