**A Message from Fr John**

I have come so that they may have life and have it to the full! Being guided to good pasture where we can be sustained is essential in living the Christian life. Jesus calls us to listen to his voice and his lead. He seeks us out so that we may discover what truly nourishes us. This comes about not just by our willingness to hear his voice but to find where it may lead us. It calls us to be people who are prayerful, attentive and aware of how God prompts us into action. This reflective stance of being open to God's guidance and to find out what truly fills us is at the heart of the Easter journey. It calls us to notice where God is present to us and invites us to discover how the Spirit is at work in our lives. Each day provides us with an opportunity to give thanks for the people we meet, in the place where we live, in the work that we do and in the times when we relax. In all things, we are called to be present to what brings life to us and to others.

As we know Fr. John will be finishing on 22<sup>nd</sup> June and we plan to have a farewell for him after the 10 am Mass on 18<sup>th</sup> June. This will be an occasion for us to thank him for his service in the parish and to assure him of our prayers as he undertakes his new appointment as Spiritual Director at the Good Shepherd Seminary in Homebush. Over the next few weeks, the Archbishop will consider who will take up the appointment to the parishes of Batemans Bay and Moruya. He has asked the priests of the Archdiocese to keep this in their prayers. He will meet with the Consultors towards the end of May to assist him in making this appointment. In doing so he considers both the needs of both parishes and also the needs of other parishes in the Archdiocese. He will make this known when the person has been consulted and has accepted the appointment.
