A Message from Fr John

Jesus said: "I am the living bread that came down from heaven; whoever eats this bread will live forever, and the bread that I will give is my flesh for the life of the world." The way the meet Jesus in the Eucharist overflows into our daily life. It is the most intimate of encounters where somebody shares their whole life with us so that we may discover what brings us life. This is not just a giving or receiving of something it is a giving and receiving of someone. This opens us to the realisation that our lives have eternal worth and that this encounter changes everything. It is all too easy to see this as something we do rather than something we become. We receive Eucharist so that we can become one with Christ. We do not just do this as individuals but as a communion which draws us close to each other. Just as we reverence Jesus in the tabernacle so we should also reverence each other where Jesus becomes the tabernacle of our heart. As Augustine says, "It was in the flesh that Christ walked among us and it is His flesh that He has given us to eat for our salvation." When we genuflect to the tabernacle we honour how God calls us to be present to his saving grace which is for our good and the good of the whole world. We are called to be disciples of that grace which draws us closer to him and closer to each other.

Thank you and fare well

Our parish would like to thank Fr John for being a part of our community, for supporting us during our highs and lows, for having an encouraging word and a happy smile.

"In life we realise there is a role for everyone you meet. Some will test you, some will use you, some will love you, and some will teach you. But the ones who are truly important are the ones who bring out the best in you. They are rare and amazing people who remind you why it's worth it." - Unknown

We look forward to welcoming our new Parish Administrator, Fr Martins Aloga. He will begin his appointment on 23rd June.

Please keep both Fr John and Fr Martins in your prayers as they prepare for their new roles.
