Two More Steps

It's another weekend and Christ is at it again. While, we find ourselves floundering with our initial step, he is asking us to take too more steps. Is that possible? Well, I think so. But, hang on, what is the subject? Perhaps, relationship. Relationship is one important aspect of our life. We relate with self, others and God. Though important, it can make or mar us. It brings us joy, support and comfort. Unfortunately, it's often the reason for our brokenness; leaving us feeling less about everything. However, Christ in the text of the Gospel this weekend invites us to take two more steps towards reconciliation with self and others. For when we are reconciled, Gods loving presence is felt.

Fr. Martins
