## Feast of Christ the King

It was Pope Pius XI who brought the Feast of Christ the King into the Liturgy in 1925 in order to bring Christ, his kingdom of peace, his rule and Christian values back into the lives of the faithful, into society and perhaps a model for those in politics. The Feast was also a reminder to the likes of Mussolini, Hitler and Stalin who were the major advocates of totalitarianism at the time, that Jesus Christ is the only Sovereign King. The solemnity has come to stay and it is always on the last Sunday of the year. In celebrating this feast today, we not only acknowledge the kingship of Christ, but reaffirm our faith and the reality of our pilgrimage. It is a celebration of hope for a kingdom of love, peace, truth and justice. May the peace of Christ be felt in our hearts, in our homes and in our broken world at this feast and always. Maranatha!
