LENT 2018

BEING GOOD NEWS IN TOUGH TIMES

As we journey in this fourth week of Lent Pope Francis gives us further wisdom when he asks:

Do you want to fast this Lent?

Pope Francis suggests

Fast from pressures and be prayerful...

Fast from bitterness and fill your hearts with joy...

We are invited to reflect and practise these 'fasting suggestions' for this week of Lent as we endeavour to become GOOD NEWS IN TOUGH TIMES.

PROJECT COMPASSION FOR A JUST FUTURE

This week we reflect on the story of **Evangeline – a First Australian Aboriginal woman who, supported by Caritas has become an inspirational Youth Leader.** *Evangeline says*

'Caritas Australia's support for Djilpin Arts, through Project Compassion, is vital for all Wugularr's young people'. Although their families do their best to pass on knowledge, Elders are dying and Evangeline is keen to spearhead the preservation of culture and lore for future generations. 'It's good for them to learn and to keep their culture strong', Evangeline says.

Caritas - making a difference in First Australian's lives!

PROJECT COMPASSION - PRAYER FOR LENT

God of all peoples and nations, you accompany us on our Lenten journey. May we learn to walk your way of justice and compassion with all your people. In a special way, we keep in mind the children, youth, women and men around the world who are most vulnerable to extreme poverty and injustice.

In this Year of Youth, may we support young people as they recognise that through their efforts, their desire to change and their generosity they too are participating in the building of a better world.

Bless our prayers, our fasting and our Lenten gifts to Project Compassion.

Through these actions, may our hearts be open to receive your grace as we work towards a just future for all your creation. Amen
