### Rest In Peace

We pray that God may welcome into glory those of our family and friends who have departed this life especially Bev Burnes, Ashley Cullen, Dimitrios Toliopoulus and Allan (Rusty) Willcocks.

## Commitment Mass

Our faith is best expressed in a context of a journey. A journey with many moments and stop-over: the moments when we celebrate the sacraments including mass and occasions when we stop over to empty, refill, and renew our commitments. To guarantee confidence on the journey, we are always surrounded by the community. A community made up of the family and the faithful as reflected in our gathering this weekend.

The sacramental journey which begins at baptism happens within the context of the community, where Parents, Gods Parents (Sponsor) together with the Faith Community expresses a commitment to bring up the child to be baptised, in the practise of the faith. Within this community the child grows, experiencing more moments: of First Reconciliation and First Eucharist. With these sacraments, the child is renewed and nourished on the journey. Then comes, the big moment: the moment of Confirmation. At this point, the child's gifts are identified and readied for the mission of Christ and his Church in the local and global contexts. On the big day, the Bishop or his delegate comes along and the big moment happens: the sacrament of Confirmation.

However, to enable this, a deep and sincere preparation is required; preparation on the part of the candidates and a commitment on the part of their Families and the Faithful who commits to accompany the candidates, building a network of prayer and support around the them as they journey to this sacrament of mission and not 'exit'. This is our special focus at all the masses this weekend.

We therefore acknowledge and welcome all families, friends, the members of our school and parish community. Warmly, we welcome and congratulate all the candidates as they progress on their journey of faith.

## MORUYA CARING GROUP

At a meeting held in the presbytery on Tuesday 1st May it was decided to start a caring group in our parish. Those present listed what areas of need they saw in our parish and wider community. It will be a ministry of our Church, a self help group of volunteers who while looking 'Globally will act locally'. It is from this caring group that the Centre for the Laity will evolve. The group will meet again on Tuesday 15th May 10.30am in the presbytery. All are welcome and your support needed. Contact Pat. 44736174.
