St Patrick's Breastplate	St. Patrick's Breastplate is a popular prayer attributed to one			
Christ be with me, Christ within me	of Ireland's most beloved patron saints. According to tradition, St. Patrick wrote it in 433 A.D. for divine protection before successfully converting the Irish King Leoghaire and his subjects from paganism to Christianity. (The term breastplate refers to a piece of armour worn in battle.) When St. Paul referred to putting on the "Armor of God" in his letter to the Ephesians (6:11) to fight sin and evil			
Christ behind me, Christ before me				
Christ beside me, Christ to win me				
Christ to comfort me and restore me.				
Christ beneath me, Christ above me				
Christ in quiet, Christ in danger				
Christ in hearts of all that love me	inclinations, he could have been thinking of prayers just like this one! We may not wear combat gear in our daily lives,			
Christ in mouth of friend or stranger.	but St. Patrick's Breastplate can function as divine armour			
St Patrick, pray for us. Amen	for protection against spiritual adversity.

A New Years Blessing

$\mathcal{M}ay~God$ make your year a happy one,

Not be shielding you from all sorrows and pain. But by strengthening you to bear it, as it comes.

Not by making your path easy, but by making you sturdy to travel any path Not by taking hardships from you, but by taking fear from your heart;

Not by granting you unbroken sunshine, But by keeping your face bright, even in the shadows;

Not by making your life always pleasant, But by showing you when people and their causes need you most, and bby making you anxious to be there to help.

God's love, peace, hope and joy to you for the year ahead.
