VOLUNTARY ASSISTED DEATH BILL

Moves are gaining momentum politically to introduce euthanasia legislation into New South Wales Parliament. Euthanasia is so totally opposite to all that we love and believe to be the truth. It is a prime example of a culture of death. We must do all we possibly can to defeat this legislation and champion a culture of life. One of the most effective ways of doing this is by our parishioners writing personal letters to their elected political representatives opposing this legislation.

I draw your attention to my recent Pastoral Letter on the matter of Euthanasia, "Human Beings need Humanity not Euthanasia".

Yours sincerely in Christ,
