The NSW Premier has announced changes to COVID-19 restrictions which will bring NSW in line with the ACT effective Friday, 15 May 2020. Please note the following: 1. Churches may now be open but will be restricted to no more than 10 people in the building at any time. 2. Mass may be celebrated for no more than 10 people, excluding those conducting the service. 3. Funerals celebrated inside the church building are restricted to 20 people, excluding those conducting the service. 4. Funerals celebrated outside the church building are restricted to 30 people, excluding those conducting the service. 5. Weddings may now be celebrated with 10 people, excluding those conducting the ceremony. These gatherings are permitted with the physical distancing rule of 1.5 metres. No physical sign of peace is permitted and the current protocols for Holy Communion remain in place.

"The Christian does not think God will love us because we are good, but that God will make us good because He loves us; just as the roof of a sunhouse does not attract the sun because it is bright, but becomes bright because the sun shines on it."

Dear Parishioners

We are now able to resume Mass but under the strict conditions of Covid 19 which limits us to 10 people only per Mass, this does not include Clergy or Ministry. If you wish to attend Mass under the Covid 19 conditions you need to call me, Teena McGrath on 0437272000 and your name will be added to our list. You will be notified what Mass you can attend. There will be various Masses throughout the week and we will accommodate everyone who is interested in attending Mass. These remain difficult and challenging times and hopefully things will return to normal very soon. In the mean time we do ask that you remain positive and patient as we work through this next phase.

Yours Sincerely
Teena McGrath
Parish Pastoral Chair.

Fellow Parishioners

By the time you have the opportunity to read this letter it will be almost two months since we have been able to attend Mass. We hope that during this time of lockdown (or lockout in the case of the Church) you are all taking care of yourselves and those that look to you for help and hopefully a return to some degree of normality regarding Mass attendance is not far away.

Sadly at this time of locked Churches our Parish is in the same position as households and businesses in that we continue to have financial obligations that must be met. As you are probably aware a large percentage of our Parish income comes from contributions to the second collection during Mass. Obviously with no Sunday Mass this income source has ceased. We therefore ask that those of you who normally support your Parish in this way do one of the following at least until we are back to regular Mass attendance: Change your method of support from using the second collection to direct credit to Parish account either weekly or monthly, or Put the money you would normally contribute aside so it is available to put on the second plate when we are able to attend Mass. Obviously the former method is preferable for budgeting and planning purposes but it is a matter of personal preference. For those of you who would like to direct details are as follows:

BSB: 062-786 / ACCOUNT NO: 000014844
We thank you & especially thank those give directly for your understanding during this trying time.
