COMING UP!

12th February- St Joseph's School, Opening School Mass.

A person's most beautiful asset is not a head full of knowledge, but a heart full of love, an ear ready to listen and a hand willing to help others.

- I have a friend. He keeps trying to convince me he's a compulsive liar, but I don't believe him.
- I'm on a whiskey diet...I've lost three days already.
- I went to see the doctor about my short-term memory problems – the first thing he did was make me pay in advance.
- I always take life with a grain of salt. Plus, a slice of lemon. And a shot of tequila.
- Out of my mind. Back in five minutes.
- when your only tool is a hammer, all problems start looking like nails.
- As I get older and I remember all the people I've lost along the way, I think to myself, maybe a career as a tour guide wasn't for me.
- If you think eggplant is good, you should try any other food; it's much better.
- The person who invented autocorrect should burn in hello.
- The best thing about good old days is that we were neither good nor old.
 - My wife and I were happy for twenty years; then we met.
