BUS FOR DEACON MARK 'S ORDINATION

Great news!

We have booked a luxurious coach to travel to Canberra and back the same day where everyone can relax and not worry about driving.

The bigger bus (57 seater) will cost \$2,030 -00, so there is still seats available for anyone who didn't put their name down previously. The sheet will be available at the back of the church for any new names who want to join us.

If you are happy to be part of this significant celebration, please make a donation or pay \$35 -00 for a seat.

If we don't get 57 people, the Young Mission is happy to subsidise the shortfall.

Look out for the great performer, Fr Jiss, who will come up with some great jokes and games to entertain you!

THE DIFFERENCE

BETWEEN CRUCIFIX AND CROSS:

CRUCIFIX

The Crucifix (a Cross with a Corpus) is a symbol used by the Catholic Church. Its name is derived from the Latin word *cruci fixus* which means "fixed to a cross." It thus refers to an image of Jesus fixed to a cross which is distinct from a plain cross.

Most crucifixes include the sign INRI across the top. INRI is the Latin abbreviation for "Iesus Nazarenus, Rex Iudaeorum" or Jesus the Nazarene, King of the Jews.

CROSS

The cross is a symbol of Christianity. But there are over 35,000 Christian denominations in the world. More often than not, protestants do not have the body of Christ on the Cross. In Roman times, the cross was an instrument of torture and public humiliation.

Today, the cross has been adopted as a symbol of the ultimate sacrifice. It evokes Jesus' death and, more importantly, His resurrection.

Note: Catholics understand that both the simple cross and the crucifix are symbols of our faith, helping us to recall Jesus' great sacrifice for us.

Parish Safeguarding Commitment: St Patrick's Parish is committed to safeguarding and upholding the dignity and rights of all of our children and vulnerable people. If any parishioner has any concerns about the above, please email St Patrick's Safeguarding officer- Carmel Barnes

20 September | The Sanctuary Model: Creating trauma informed care | 10am

The Sanctuary Model is a workplace culture-change program that teaches people how to cope more effectively with adversity and stress, and aims to prevent trauma symptoms. This session will introduce you to The Sanctuary Model, providing details about its applications to people you work with, and skills to implement the practical elements. If you have any questions, please reach out to learning@acsitd.org.au
