Next weekend our parish will be holding the annual Catholic Mission Church Appeal. This year we are invited to help to heal a nation through education in Myanmar. Led by Cardinal Charles Maung Bo. It has been called an "education revolution", and the potential impact is far-reaching. Please come prepared next weekend and give generously to this important work.

### Marian Procession Prayer

*I'm aware that some from across our Archdiocese will not be able to attend the Archdiocesan Marian Celebration at Galong today, Sunday 14 October. To help unite us all on this day, I forward this prayer (slightly adjusted) that was used by Pope Francis in the first year of his Papacy- which you might like recite in the parish at some suitable time in the Sunday Mass. Fr Emil*

Blessed Virgin Mary of Fátima,  
with renewed gratitude for your motherly presence  
we join in the voice of all generations that call you blessed.  
We celebrate in you the great works of God,  
who never tires of lowering himself in mercy over humanity,  
afflicted by evil and wounded by sin, to heal and to save it.  
Accept with the benevolence of a Mother

this act of entrustment that we make in faith today,

We are certain that each one of us is precious in your eyes  
and that nothing in our hearts has estranged you.

May that we allow your sweet gaze

to reach us and the perpetual warmth of your smile.

Guard our life with your embrace: bless and strengthen every desire for good;  
give new life and nourishment to faith; sustain and enlighten hope;  
awaken and animate charity; guide us all on the path to holiness.

Teach us your own special love for the little and the poor,

for the excluded and the suffering, for sinners and the wounded of heart:

gather all people under your protection and give us all

to your beloved Son, our Lord Jesus. Amen.

**HSC Prayer** As Zach, Jeromy and other students begin their HSC may we keep them in our prayer.

*Dear God,*

*I pray that you give the HSC students the strength to think positive throughout their studies and believe in you and everything that you have given them.*

*I pray that they continue to stay strong even under the pressure of the tests to come.*

*I pray that they continue to have hope in you through this chapter of their lives, and even if they do not do as well as they could have, they learn to understand that HSC is only small part of their lives.*

*I pray dear God that you support them and give strength to their families and friends to continue giving encouragement to them.*

*I pray for every HSC student in Australia that they can absorb what they have studied and use it well in their tests.*

*I also pray for them to understand everything has a reason and you God, have plans for each and every one of them, so that they should not give up on their most precious gift which you have given them.*

*Thank you God, and to HSC students... do your best.*
