## Reflection

Straining Ahead. The Israelites in exile, St Paul the Apostle and the Woman caught in adultery all had shameful pasts. They acknowledged their sins but were not weighed down by them because they experienced the forgiveness of God. Freed of the burden of their sin they were able to continue on their way. We also are sinners but with God's forgiveness we too can put the past behind us and strain ahead for the prize to which God is calling us upwards to receive in Christ Jesus.

## Project Compassion

Shaniella 23, grew up in a remote village in the Solomon Islands in a province which has limited educational and job opportunities - and one of the country's highest poverty rates. After leaving school, she decided to move closer to the capital city, Honiara, to study hospitality and tourism. However, her vocational training school was hit by a landslide and cyclone in quick succession, destroying its water supply system and the vegetable garden that it relies on for food.
With your generous support, Caritas Australia has helped the school to install water tanks, re-establish its garden and provided training in disaster risk
 reduction. Shaniella can now complete her job skills training and the school has enough food and water for its students.

## Reflection

Let us pray with Fr Henri Nouwen:
O Lord, this holy season of Lent is passing quickly.
Let me be thankful for your gentle way. I know you are at work. I know you will not leave me alone. I know you are quickening me for Easter - but in a way fitting to my own history and my own temperament. I pray that these last two weeks, in which you invite me to enter more fully into the mystery of your passion, will bring me a greater desire to follow you on the way that you create for me and to accept the cross that you give to me. Let me die to the desire to choose my own way and select my own desire. You do not want to make me a hero but a servant who loves you. Be with me tomorrow and in the days to come, and let me experience your gentle presence. Amen
