Peter is thrilled to now have clean water on tap at his boarding school. Long walks to unsafe water sources were tiring for Peter, who is living with a disability. With more free time and fewer illnesses caused by dirty water, Peter can fulfil his hope of focusing on his studies, providing him with brighter future

Please donate to Project Compassion 2019 and help young people with disabilities gain access to clean water in the Solomon Islands, providing hope for a brighter future.

Feast Days this Week

25th-The Annunciation of the Lord. This feast originated in the East during the sixth century and gained universal observance in the West during the eighth century. It is a feast of the Lord, commemorating the announcement to the Virgin Mary of the Word made flesh, Mary's acceptance of God's will, and the conception of Christ nine months before Christmas. Its occurrence close to Easter links the incarnation with the whole mystery of human redemption in Christ.

Memories of the Weekend.

Tathra Commemorates 1 year.
