Midweek Bulletin

15 April 2020

Hello St Bede's Parishioners,

This is the new format for our weekly bulletin, bringing you local and Archdiocesan news and some fun anecdotes and cartoons, some Covid-19 related. Please feel free to contribute items of interest to it. I will be sending out a bulletin each week, on Wednesdays.

On Saturdays I will send out a liturgy, so that we can all gather remotely to share the Word and listen to Father Peter (mostly) break open the Word for us.

Locally:

- Free Dog Walking Offer: We are missing having a dog to walk as our dear old dogs are no longer with us. If you have a dog in need of a little daily walk my daughter Georgia and myself would love to take your pet for a walk. Please call Julie on 0417170964 if we can help you out.
- The Call to Connect Prayer Groups have been meeting through "Zoom", an app that can be used on computers, laptops or mobile phones. All you need is a camera and an audio system in your computer etc. The Scripture Group has also been meeting using this method of communication as have the Planning Groups. It is a simple app and is available for free if one sticks to the allocated time limit. Some of you might like to try it out with your friends.
- Those who are intending to join Zoom prayers this Thursday evening should receive an invitation today.
- The Bushfire Recovery Centre who have been operating since the fires early this year have now begun working remotely. To assist locals they are having a segment on Braidwood FM, Wednesdays and Fridays 11 – 11.30am. There will be special guests from a range of support services. Tune in or live stream from braidwoodradio.com.au
- How did you enjoy the Holy Week liturgies prepared for you? How can we improve our liturgies for you now the celebrations are over?
