Remember – The fight for School Funding

*In the 1960's there were High Court cases to try
and restrict Government funding to just
Government Schools. The DOGS (Defence of
Government Schools) lost their case.*

*Justice was established as the criteria for school
funding. Catholic parents pay taxes so in
justice there should be funding for Catholic
Schools. That is now under threat by the
Liberal-National Party Government.*

*They wish to establish a new criteria for
funding non-Government schools – the capacity
for parents to pay ever increasing school fees.*

This new criteria is certainly not just.

New Parish Web address:

*The Archdiocese has set-up a new information
website for Cooma Parish with all Parish
current information and mass times.*
