Easter Blessings

Christ’s resurrection is something new, never before has it happened. God has worked something new in creation. We are summoned to live a new life because of it, and the power of Christ’s resurrection will allow us to live it. Let us, over the fifty days of Easter, ponder this ‘never before’ gift of God. May the Risen Jesus bless you today and always and reveal to you the New Life he wishes you to have now. May Jesus bring peace, hope and promise to our troubled world. May all people know and experience God’s love in Jesus. Fr Mick
