Feast of St Mary of the Cross MacKillop

On Wednesday we celebrated the Feast of St Mary MacKillop. Mary's forbearance under the pressures and demands of founding a religious order in a country the size of Australia is worthy of much reflection. That few women are joining the order today does not say that it is dying. The order has begun many works of ministry that are attracting both men and women to carry them out. The MacKillop Foundation not only funds the various works, it staffs many projects and to do that it has to select and train many workers. The works of ministry include organisations assisting indigenous Australians, outback communities and works in the inner city areas of Sydney, Brisbane and Adelaide, assisting families. The spirit of Mary MacKillop lives on, the great foundation of the Sisters continues to inspire others today to work for the spread of the Gospel.
