Joke:

A young boy wanted to go down to the lake to fish, and his mother asked him to take his little sister with him. He said, "Mom, don't make me take her with me. The last time she came with me, I didn't catch a single fish." The mother said, "I'll talk to her, and I promise this time she won't make any noise." The boy said, "Mom, it wasn't the noise. She ate all my bait!"
