This weekend, the Catholic Church in Australia marks Safeguarding Sunday, on which we pray for those who have been abused, their families and supporters. We recognise and apologise for the harm done by priests, religious and lay people in Church settings. Rebuilding trust and confidence in the Church requires constant work and vigilance. We recommit to cultural change that will help the Church be a place that respects the dignity of all children and adults at risk, and empowers and listens to all people, especially those who are vulnerable. Fr Mark’s Jokes:

Who is the Pharisee? Father O’Malley was going through the mail one day after his powerful sermon on the Pharisaic life of some of his parishioners on the previous Sunday. Drawing a single sheet of paper from an envelope, he found written on it just one word: “FOOL.” The next Sunday at Mass, he announced, “I have known many people who have written letters and forgot to sign their names. But this week I received a letter from someone who signed his name and forgot to write a letter.”
