Joke – Which is the Greatest Law?

With the election for the President in the USA only a few days away, here are some laws that are said to have existed or still exist in parts of the United States of America:

- In Pittsburgh, Pennsylvania it is against the law to sleep in a refrigerator.
- There was once a law in Iowa against women wearing corsets, and an official job of corset inspector who went around poking women in the ribs to make sure they weren't wearing one.
- In Gary, Indiana, you're breaking the law if you attend the theatre within four hours of eating garlic.
- In Pocatello, Idaho, it is illegal to look unhappy.
- Snore loud enough to disturb your neighbours and you can spend a night or two in jail in the Dunn, North Carolina.
- It is illegal for chickens to cross the road in Quitman, Georgia.
- It is against the law in Alabama to wear a false moustache to church, such that it makes people laugh. (Little wonder voting is not taken seriously by the whole nation.)
