FEBRUARY – MONTH OF THE HOLY FAMILY

The month of February is dedicated to the Holy Family. The special devotion which proposes the Holy Family of Jesus, Mary, and Joseph as the model of virtue of all Christian households began in the 17th century. It started almost simultaneously in Canada and France: the Association of the Holy Family was founded in Montreal in 1663, and by the Daughters of the Holy Family in Paris in 1674. This devotion soon spread and in 1893 Pope Leo XIII expressed his approval of a feast under this title and himself composed part of the Office. In the words of His Holiness Pope Leo XIII, "Nothing truly can be more salutary or efficacious for Christian families to meditate upon than the example of this Holy Family, which embraces the perfection and completeness of all domestic virtues."

JOKE OF THE WEEK

The school teacher's prize. Angela was nearing 60 and was in her final year of teaching in the public school. She was a devout Christian who missed teaching from the Bible. Because she was worried at how little her class knew about religion, Angela decided she was going to disregard the new regulations and teach some religion. She told her class that she would run a contest. She would give £50 to whoever could tell her who the greatest man was who ever lived. Immediately Isaac a Jewish boy began to wave his hand, but Angela ignored him in favor of those in her Sunday school class. As she went around the room, Angela was disappointed with the answers she got. Jane, her best scholar, picked Noah because he saved all the animals. Others said, "I think the greatest man who ever lived was Alexander the Great because he conquered the whole world." and "I think it was Thomas Edison, because he invented the light bulb." Finally, she called on Isaac who still had his hand in the air. "I think the greatest man who ever lived was Jesus Christ." said Isaac. Angela was shocked but still gave him the \$50 reward. As she did so, she said, "Well, Isaac, I'm very surprised that you should be the only one with the right answer. How come?" "Well, to tell you the truth," Isaac replied as he pocketed the money, "I think it was Moses, but business is business."
