Happy Mother's Day

Dear Parishioners,

Happy Mother's Day, to all the mums. It's a beautiful day to remember our mums. A mother is not just a word, it is, perhaps the single strongest force in nature and in family.

I have got my mum in India. I remember her and pray for her not only today but every day because what I am now is mostly because of her faith and prayer. She always know what I need in my life. I am sure, you all will have many experiences of love, care and support of your mother.

Let us sincerely thank God for the gift of mothers. As Pope Francis says "To be a mother is a great treasure. Mothers, in their unconditional and sacrificial love for their children, are the antidote to individualism..."

On this Mother's Day we honour and pray for every mum. May you always be blessed with good health and happiness and know our love and gratitude for you.

Yours in Christ,

Fr Joshy

For all our departed brothers and sisters, especially all our departed mothers and grandmothers: May our hope of being reunited with our loved ones in heaven, be strengthened by our faith in Jesus Christ. We Pray to the Lord

Celebrant: Loving God, enfold our world in your tender embrace and give us the grace to be tender to one another. Through Christ our Lord. Amen

Two children ordered their mother to stay in bed one Mother's Day morning. As she lay there looking forward to breakfast in bed, the smell of bacon floated up from the kitchen. But after a good long wait she finally went downstairs to investigate. She found them both sitting at the table eating bacon and eggs. "As a surprise for Mother's Day," one explained, "We decided to cook our own breakfast."
