**Reflection:** 2<sup>nd</sup> Sunday Easter.

This gospel is one of transformation. The fear of the disciples is transformed by the gift of peace and the doubt of Thomas is transformed by his encounter with the risen Jesus. With this transformation, however, comes responsibility. The disciples are not to simply bask in the joy of Christ risen but are sent to continue the mission of Jesus in the world: 'As the Father sent me, so I am sending you.'

When Thomas is told by his companions that they have seen Jesus, he places his own conditions on faith. He will not believe unless he sees. Jesus must fulfil the expectation that Thomas has. The following week, he is forced to confront this and is brought to realise the pointlessness of imposing conditions on God. Only then can he see that God's ways are often surprising. Only after accepting this truth does Thomas come to understand what faith really is.

**DID YOU KNOW?**

The period from Easter Sunday to Pentecost is known as the Great Fifty Days and is an integral part of the Lent-Easter- Pentecost cycle.

There is an ancient tradition that Thomas preached the gospel as far east as India. In Aramaic, the language spoken by Jesus, the name of Thomas means 'twin'.
