### **Plenary Council 2020 –**

#### **Listen to what the Spirit is saying.**

Pope Francis has approved the Australian Bishops' decision to hold a Plenary Council in Australia in 2020 and 2021. It is a significant moment for the Church in Australia to make decisions about the future.

To prepare the agenda for the Plenary Council, all of God's people are invited to reflect on the question: ***“What do you think God is asking of us in Australia at this time?”*** Find out more about the Plenary Council 2020 at the new website, now online:

### **Reflection:** 10 Sunday Ordinary Time

This text is an example of the classic 'Marcan sandwich' where Mark introduces a theme or episode, interrupts it with another seemingly unrelated aspect and then returns to the original and unifies the two. This literary device helps build tension and suspense. At issue here is the opposition of his family and the dispute on blasphemy. What comes immediately before this text in Mark's Gospel is a list of the twelve whom Jesus has chosen – his new family. Family now goes beyond birth lines but encompasses all those who do the will of God.

The scribes 'from Jerusalem' accuse Jesus of blasphemy and acting for Satan. They fail to see that in casting out demons Jesus is actually undermining the power of the evil one, dividing his 'house'. Instead, the scribes themselves are guilty of blasphemy. They attribute a power from God – the power to cast out demons – to Satan himself. God is willing to forgive all sins but the inability to distinguish good from evil makes one impervious to the presence of God and therefore beyond forgiveness. Those who recognise and do the will of God are the family members who stand united in faith.

How do you understand the notion of 'sin'? Scholars have long debated the nature of the relationship to Jesus of those family members mentioned in this text. The Catholic Church holds that Mary remained a virgin all her life and therefore those referred to here are possibly from a broader extended family of 'brethren' or kin which was a common way of referring to family in that period. Some scholars suggest they may be children of Joseph from a previous marriage. .
