A Journey through the Mass

(Pope Francis) by Clare Schwantes

Mass as a living encounter with Christ. The Eucharist is wondrous because it makes Jesus present amongst us.

To those who become distracted at Mass and talk amongst themselves, or claim that Masses are dull, Pope Francis emphasised that the Lord is actually present!

How, then, could Mass ever be boring? The pope reflected on his sadness at seeing mobile phones lifted up during Mass to take photographs. *The priest presiding at a celebration says at a certain point 'Lift up your hearts'. He does not say "lift up your cell phones to take a photo"...Mass is not a spectacle: it is going to encounter the Passion and Resurrection of the Lord.*

Just as St Thomas needed to see and touch the wounds of the risen Lord, Pope Francis acknowledges the need of all people to have a tangible, sensory experience in order to know God, and he pointed to the Sacraments, in particular the Eucharist, as the way to meet this human need.

PREPARE FOR MASS IN SILENCE

Mass as prayer. Pope Francis has identified the Mass as 'prayer par excellence', because it is an encounter with God through his word and through the Body and Blood of Christ. Just as Jesus called his disciples to 'be with' him, so too is the Eucharist our privileged moment to 'be with' Jesus. The pope encouraged the faithful to sit in silence with Jesus for five minutes before mass, rather than chatting with people in the pews. *This is not the moment for small talk, it is the moment of silence to prepare ourselves for the dialogue. It is the moment for recollection within the heart, to prepare ourselves for the encounter with Jesus.* The pope then spoke of the need to let ourselves be surprised at every Mass with the realisation that God loves us despite our weakness. *The Lord encounters our frailty so as to lead us back to our first call: that of being in the image and likeness of God. This is the environment of the Eucharist.*

This is prayer. (Liturgy News)
