Restoration News: The Restoration of Sts Peter & Paul's Cathedral has been ongoing for decades.

It is a responsibility that has been carried with grace and goodwill by generations of parishioners.

The parish entered into a partnership with the Archdiocese to embark on urgent conservation works. Once this work is completed, we will then be able to commence the internal works required to repair, restore and renew the Cathedral.

An updated newsletter is available in the foyer and online to highlight the work that has been achieved to date.

To capture the next journey of restoration and repair, we are launching a new website **soon** www.sppoc.com.au where you can sign up to mailing lists to receive project updates. Project Email: admin@sppoc.com.au
