New TV Screens and updating of Audio System for OLOF

Dear Parishioners,
After two years of COVID-19 pandemic, with all the health and hygiene requirements in place, it made us to think and adapt the way in which we can operate. One among them is to update Audio-Visual System in the church which includes the installation of four 43-inch TV screens. This will allow us to display the hymns, readings, prayers, appeals etc. The cost of this project is \$7000. It would be greatly appreciated, if you are able to donate, or contribute towards its cost. Thank you for your generosity.
May God bless you. Fr Joshy.
