"The Eucharist is meant to be an intensification of our unity within the Body of Christ. It is not just the bread and wine that is meant to change and become the body and blood of Christ—the Eucharist tries to change us so that we become what we receive, one body, one community, one heart and one spirit".

Ronald Rolheiser - 38.

"The faith of those who believe is a point of reference for the search of God in the darkness of a world that is largely opposed to God—it is only through this door that the Holy Spirit enters the world".

Benedict XVI.

PROJECT COMPASSION

Please take home a Project Compassion box and support Caritas Australia this Lenten season themed "Give Lent 100%". This year's Project Compassion showcases the many ways we work around the world with our local partners to offer hope to people most vulnerable to extreme poverty and injustice.

As Pope Francis said, "The future does have a name... and its name is hope."

Through your generosity during Project Compassion this year, you are empowering communities with hope and helping those in great need to shape a better future for themselves, their families and their communities. Lives change when we all give 100%. Please give generously.
