**JOKE CORNER**  
  
**Life-giving bread in Heaven's buffet:** This 85-year-old couple, having been married almost 60 years, had died in a car crash. They had been in good health for the last ten years, mainly due to their interest in healthful food and exercise. When they reached the Pearly Gates, St. Peter took them to their mansion, which was decked out with a beautiful kitchen, a master bath suite and a Jacuzzi. As they "oohed and aaahed," the old man asked Peter how much all this was going to cost. "It's free," Peter replied, "this is Heaven." Next, they went to see the championship golf course that their heavenly home backed up to. St. Peter told them they would have golfing privileges every day. The old man asked, "What are the greens fees?" Peter's reply, "This is heaven; you play for free." Next, they went to the clubhouse and saw a lavish buffet laid out for them. "How much does it cost to eat?" asked the old man. "Don't you understand yet? This is heaven! It's free!" Peter replied. "Well, where are the low fat and low cholesterol foods?" the old man asked sadly. Peter smiled and said, "That's the best part...you can eat as much as you like of whatever you like and you never get fat and you never get sick. This is Heaven." The old man looked angrily at his wife and said, "You and your bran muffins! We could have been here ten years ago!"
