What did the Saints say about Eucharistic Adoration?

"When I was in Church waiting for confession, I saw the same rays (that is, as those depicted on the revealed image of the Divine Mercy) issuing from the monstrance and they spread throughout the Church. This lasted all through the service. After the benediction (the rays came forth) on both sides and returned again to the monstrance.
 Their appearance was bright and clear as crystal. I asked Jesus that He deign to light the fire of His love in all souls that were cold. Beneath these rays a heart will be warmed even if it were like a block of ice; even if it were as hard as rock, it will crumble into dust".
Saint Faustina Kowalska
