Hail, Guardian of the Redeemer,
Spouse of the Blessed Virgin Mary.
To you God entrusted his only Son;

Obtain for us grace, mercy, and courage,
and defend us from every evil. Amen

ASSUMPTION OF OUR LADY

Although some scholars insist there is no historical data to prove the historical fact of the Assumption, apart from faith there is also strong and reasoned data to support the event:

- Firstly at no time in history has Christendom venerated a grave or tomb of the Blessed Virgin.
- Until the 5th century of Christianity there was not even a legend concerning her place of burial.
- There is absolutely no relic of Our Lady's body in existence; nor has any person or city ever claimed possession of such a relic. From the earliest times of the Church, the faithful venerated the remains of the Saints. Relics of the Apostles and of thousands of martyrs are preserved in shrines and caskets. The sacred remains of Mary could not have been lost or neglected.
- In the first sixteen centuries of Christianity no reputable theologian or school of theology ever questioned the dogma of the Assumption. (source: The Catholic Weekly)
