### FRATELLI TUTTI

On Sunday October 4, Pope Francis published his third encyclical letter, *Fratelli Tutti* (Brothers and Sisters All).

The encyclical has the subtitle of "on fraternity and social friendship". In the encyclical, the Pope states that the COVID-19 pandemic has proven the failure of the world to work together during the crisis. The encyclical calls for more human fraternity and solidarity, and is a plea to reject wars.

Pope Francis reflects upon the parable of the Good Samaritan; this reflection is the theological core of the encyclical. Pope Francis says this parable is an "ever new" call from Jesus to "rediscover our vocation as citizens of our respective nations and of the entire world, builders of a new social bond"
