NEPAL QUILTS

A small group have been making quilts for the children at "The Hostel" in Nepal. Currently there are 64 children in care and they would love to have one for every child.

So far they have made 42 quilts (30 on hand, 12 in process). Target is 64.

People's generosity is astounding - thank you!

We are aware that there are some people making quilts that we don't definitely know about as yet.

If you are making a quilt, could you please advise me ASAP so we can sort numbers.

Quilts are now needed by the end of November or early December for labelling and packaging.

There will be a "thank you" quilt display with morning or afternoon tea held shortly for a gold coin donation to help pay for excess baggage transportation costs.
Date will be advised.
