CHURCH ORGAN DONATION FUND

Our organ is on its last legs!
 Enquiries have been made to procure the most suitable organ to replace our current one. The model deemed to be the best will cost \$35,000 with all the necessary equipment. I would like to start a collection specifically for this project as the total amount would leave a huge dint in our finances. If you would like to contribute a portion of the costs, your donations would be appreciated. We will keep you informed as to the progress. The fund will be kicked off with \$5,000-00 from the parish funds.
