**EUCHARIST - THE BODY OF CHRIST**

"God still has 'skin' in this world, in the Eucharist and in the community of believers who receive the Eucharist. The Incarnation, God becoming flesh like us, still goes on! Along with the community of believers, The Eucharist is God's glorified physical presence, God's 'real' presence, in the world.

Ronald Rolheiser.

**THOUGHTS OF POPE BENEDICT XVI**

"Being related to God is tied up with being related to our brothers and sisters and with communion with them .... God does not reveal himself to the isolated ego and (he) excludes individualistic isolation."

As Pope Francis said, "The future does have a name... and its name is hope."  
Through your generosity during Project Compassion this year, you are empowering communities with hope and helping those in great need to shape a better future for themselves, their families and their communities.  
Lives change when we all give 100%.
