## DONATING TO THE CHURCH (Updated details)

A great deal of parishioners have all been used to donating their money physically in the church each weekend, but as we are unable to do that now in these uncertain days, we have to adapt to different ways of contributing our money as we do not know when our churches will re-open again.

As requested recently, many parishioners have been keen to start direct debits from their bank account to contribute to the priests collection (1st Collection) as well as the upkeep of the parish (2nd Collection).
