CONGREGATION FOR THE DOCTRINE OF THE FAITH:

THE MESSAGE OF FATIMA - connuanon....

The Pope then connued more forcefully and with more specific references, as though commenng on the Message of Fama in its sorrowful fulfilment:

“Behold, as we stand before you, Mother of Christ, before your Immaculate Heart, we desire, together with the whole Church, to unite ourselves with the consecran which, for love of us, your Son made of himself to the Father: ‘For their sake’, he said, ‘I consecrate myself that they also may be consecrated in the truth’ (Jn 17:19). We wish to unite ourselves with our Redeemer in this his consecran for the world and for the human race, which, in his divine Heart, has the power to obtain pardon and to secure reparan.

*The power of this consecran lasts for all nme and embraces all individuals, peoples and nanons. It overcomes every evil that the spirit of darkness is able to awaken, and has in fact awakened in our nmes, in the heart of man and in his history. How deeply we feel the need for the consecran of humanity and the world—our modern world—in union with Christ himself! For the redeeming work of Christ must be *shared in by the world through the Church.**

The present Year of the Redempn shows this: the special Jubilee of the whole Church.

Above all creatures, may you be blessed, you, the Handmaid of the Lord, who in the fullest way obeyed the divine call!

Hail to you, who *are wholly united* to the redeeming consecran of your Son!
