# St Benedict's COVID-19 Protocols Update

13 May 2020

In light of the recent Government and Church Protocols, the following changes are being implemented at **St Benedict's**:

- **Masses** will continue to be Streamed Live from the Collins Wing but up to 10 people may now assist (please contact one of the priests. Social distancing, good health and hand hygiene still apply, so do the care of the elderly and the very young)
- **Adoration** will recommence soon, initially in the Collins Wing. The Coordinators will contact current Adorers with details. If you would like to join the Adoration Roster please contact the Parish Office (see above).
- **The Church** will be opened for private prayer for up to 10 people sometime next week after a thorough clean takes place. A message confirming this will go out shortly.
