Mother's Day

This weekend, we extend a special welcome to all who are mothers and all who love and care for children like a mother. We praise and thank our God for you, for the nurturing, maternal love you bring to your family. Motherhood is a very high calling and the love, guidance and influence mothers provide to their children is distinct and invaluable.

The role mother's play and the pain they take are beyond expression. We may all recall stories of how our Mum's have stepped in for each one of us at different times and how they have stood beside us during difficult times.

We may also have many fond memories of our Mothers, and mother-like women. Mothering is not an act of biology. I bless you and I thank you all - those who take on the role of mothers, for mothering the children in our schools, church and other places. We wouldn't be the same without you.

We remember in a special way our mothers who have gone before us and pray for them on this special day. We pray too for those mothers who have lost one or more of their children to death. May they be comforted by the love of God and of the Blessed Virgin Mary. Let our motherly love surround them, giving them hope...fulfilling our missionary vocation as the followers of Christ.

Let us learn to love and respect marriage, family and motherhood in this confused world where marriage, family and motherhood are questioned.

Happy Mothers Day. I take a bow before you all....lovely, great and heroic mothers.

Christian Life Program: Women of all ages are invited to an integrated course that seeks to bring a renewed understanding of the Christian journey through talks, shared personal experience and discussion. Beginning on Sunday 3 June in the Parish Centre, Gowrie, the course will be presented by Couples for Christ Handmaids of the Lord. Please pick up a flyer in the foyer for more information.

Parish Feast Day: *On Saturday 2 June we will celebrate our Parish Feast Day with a Soup Night held after the 6pm Mass in the church foyer. Corpus Christi Parish is made up of a diversity of people from many cultures. The Soup Night is an opportunity to celebrate the cultural gifts brought to our parish by people bringing soup that may represent their culture. We ask that soup be brought in a slow cooker if possible (so we can keep it warm), bread, a slice or biscuits. If you are able to bring something to share please indicate on the sign up sheet in the foyer. There is also a sheet for people to indicate their attendance.*

God Bless,

The Hospitality Committee
