1st Eucharist Commitment Mass

Within this weekend and the next, about thirty boys and girls in year 3 across the schools in our parishes will be committing to preparing for the Sacrament of the Eucharist 'the source and the summit of our faith'. Having been enrolled for the sacrament in the context of the school, the boys and girls together with their families, friends and the faith community will be making a commitment within the context of the mass where the Eucharist is celebrated and received this weekend in Moruya and next weekend in Batemans Bay

We therefore welcome the boys and girls to the third major step in their faith journey. We acknowledge many parents and grand parents for accepting to journey with these children to the sacrament. Your presence at mass within these weekends demonstrates your support.

The sacraments of the church are often celebrated within the context of the community. This is typical of the sacrament of the Holy Eucharist. This is the more reason why firstly, the commitment is made within the mass and secondly, to draw the support of the community for the candidates on the journey to the sacrament and beyond.

Providentially, as we make our commitment, the Gospel this weekend, describes Jesus' discourse in the synagogue at Capernaum on his return there after his miraculous feeding of the five thousand. During the discourse, Jesus reveals himself as the true "Bread of Life that came down from Heaven," to give life to the world. Jesus proclaims himself as the new and perfect manna, the Incarnate Son of God literally "come down from Heaven." This means that by the Holy Eucharist, Jesus, gives us a share of eternal life while we are still on earth.

As we receive Jesus in the Eucharist let us keep the candidates for the sacrament in prayer.

Fr. Martins
