Message from Fr John:

Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created. And you shall renew the face of the earth. O, God, who by the light of the Holy Spirit, did instruct the heart of the faithful, grant that by the same Holy Spirit we may be truly wise and ever enjoy his consolations, Through Christ our Lord, Amen

The call to live a Christian life is reliant on receiving the Holy Spirit. The gifts of wisdom, understanding, counsel, courage, knowledge, reverence and wonder draw us into a closer union with God. They help us to experience that we do not live a life of splendid isolation but rather one which draws us deeper into the mystery of God. The gifts are entrusted to us to help us engage with life as it is and live in a way which gives expression to God's love for the whole of creation. As a Christian community, this calls upon us to see how we manifest the gifts in our daily lives. The signs of the Spirit are that it brings life not death to those who hear the Good News. It allows people to gain a deeper appreciation of how God is at work in their lives and the lives of those around them. It helps to sharpen our gaze to see what brings holiness and wholeness. What helps us to experience that the glory of God is a person fully alive!
