Message from Fr John:

How do we perceive God acting in our lives? This is at the heart of our understanding of the Trinity, One God, Three Persons. This truth can be clearly stated as fundamental to our faith but we can struggle to understand what it all means. We state this reality every weekend in the Mass when we proclaim the Creed. Yet it is important that we understand how it touches deeply how we relate to God and each other. There is a sense where at times we can see God at a distance from our lives but the Gospel tells us a different story. Jesus talks about the relationship as one being present to a loving Father in our time. This is a God who sees each life as having eternal worth and that we are all called to enter into that relationship. By given expression to that relationship in our lives, we seek to discover what saves and redeems others rather than condemning them. He gifts us with the Holy Spirit so that we can continue the Mission of building the kingdom of God. We are saved in and through the person of Christ.
