Message from Fr Dominic

The image of the shepherd carrying the lamb across his shoulders and neck reveals to us that Jesus has lifted the yoke, that was a wooden cross, and replaced it with living flesh. We now carry a new nature, it is actually our nature to be like the Lamb. This is how His gentle and humble nature has been truly revealed and given to us. Jesus says come to me all who are overburdened because he wants us all to live a spirit filled, faith driven life. Humanity had been carrying a yoke, an oppressive wooden cross, preventing us from entering the kingdom. This cross has had a selfish, distant nature to it. Jesus' life, death, resurrection, and ascension has lifted this wooden hearted nature from us and, filled by His spirit, we have true hearts of flesh and can have divine lives.

Happy Fathers Day to all our fathers,
grandfathers and great-grandfathers.
May you continue to be blessed as you
treasure the gift of your children.
Have a great day!

The Launching of the *Parish Pastoral Plan* for 2017—2020 will take place next weekend.
