### Fr Dominic

We can see just how rich this King really is. He does not really need what is owed to him. He has given from what he has in abundance. He has an oversupply of riches and is a little like God himself. Despite being well off, justice demands that he is given back what he is owed. When a King shows mercy, as this one has, he demonstrates that he also has this in abundance. We can see that he is truly rich. The servant that was not able to be inspired by his generosity, that was blind to his generosity, was always going to be poor. Working at having an open heart can be fostered by having a prayer life that gives you greater inner emotional awareness. By being heart centred throughout the day you can be attuned to and inspired by compassion and mercy that comes your way.

The Parish Pastoral Plan 2017-2020 was launched last Sunday. If you would like a copy please they are available in the foyer together with the Nomination form.

### POLICE REMEMBRANCE DAY

For the last few years St Bernards hosts a service in conjunction with the local command for our Police men and women, remembering the service of both past and present. This is a very significant day in our community.

All are welcome to come to the service and if you are able to help out with providing a light snack, please see **Lorraine Page** as she will be organizing the hosting of this event. Your support in attendance and /or afternoon tea will be greatly appreciated.

**Police Remembrance Day**  
**29th September**

Please contact office if you need Lorraine's contact details.

*All are welcome*
