Thank You:

St Vincent de Paul BBay would like to thank all who were able to contribute to our Christmas Appeal in anyway.

We are giving out 72 Christmas hampers and 110 wonderful gift packs to children age baby -16.

Without you this would not have been possible.

Nothing says Christmas like the Christian image of the family (Joseph Mary and Jesus)a true community of life and of love. The mother and father of every family have a likeness to God by virtue of their mutual love for each other and their nature as man and women. God's life is what we see in the Christ child our infant King ...something we now share in...and how are we supposed to understand how much God loves us other than by considering the birth and death of Jesus...his death brought life his birth brought life.... His birth pulls into sharp relief all of humanity....no one would have expected God to actually appear as a human person...like one of us...he was instead thought to be so utterly a part from humanity that this was unthinkable...beyond anything that anybody could conceive. Keep in mind that people of Jesus' day thought that those who saw the face of God would die...we though see the face of God and live.... His mother Mary gave Jesus flesh who used her very body as a canvas that allowed us to see the face of God and live.

Fr Dominic
