### EASTER SUNDAY OF THE RESURRECTION OF THE LORD

#### EASTER MESSAGE FROM FR LUIS VIOVICENTE

*Greetings to all,*

*The coronavirus has changed our society and lives immensely over the last few weeks and possibly for many weeks to come. This virus has changed our way of interaction and communication. It seems that, for the meantime, this is the norm of the day.*

*I could not imagine that a society with all its technological and medical advances can be shut down by a very deadly virus but this is the reality that we are facing globally.*

*People get infected, become sick and some die. Those who are lucky are healed and survive.*

*Easter Sunday reminds us that after pain and suffering there is light and rebirth. This is the promise of Christ's Resurrection. God is always faithful to this promise. With Jesus, we will rise from this present situation, strong and resilient as a community. We are all in this together!*

*Let us ask the intercession of the saints, especially St Monica, St Michael, St Francis Xavier and Our Lady of Perpetual Help, to assist and protect us in this time of need.*

*Stay safe everyone and may the Resurrected Christ reign in our hearts, homes and families.*

*Rest assured of my prayers to you all.*

*God bless and Happy Easter!*

*From Fr Loi, together with Fr Johny Abraham, Fr Anthony Riosa and Sr Kate McMahon.*
