SECOND SUNDAY OF EASTER YEAR B

'THAT YOU MAY BELIEVE'

Our belief in the teachings and resurrection of Jesus prompts us to be a part of the Christian community. In turn, our experience of Christian community strengthens our faith. It was only when Thomas was with the other disciples that he met the risen Christ and came to believe in him. It is a simple truth that faith builds community and community builds faith.

QUOTE

The family is essential for the future of the world and the Church. Everyone first learns what love means in their family, as they become aware that they are loved, and learn how to love in return. This is essential so that people can grow into mature individuals.
