## Parish News

### Pastoral Care and Holy Communion to Parishioners Sick and Housebound

The *Rite of the Pastoral Care of the Sick* (n.73) reminds us of deeply held truths and sentiments that "faithful who are ill are deprived of their rightful and accustomed place in the eucharistic community. In bringing communion to them the minister of communion represents Christ and manifests faith and charity on behalf of the whole community toward those who cannot be present at the eucharist." For this reason we are delighted that those in our parish who are sick and housebound can receive Holy Communion once again. We are also delighted that teams of parishioners who conduct these visits are keen to do so once more. These visitors conduct themselves with great care and we thank them very much. Like with other roles, they will be updated on relevant COVID safe and safeguarding matters for these visits because they are acting on behalf of the Parish.

We are also blest to have two parishioners, formed in hospital level pastoral care, available for parishioners who may be seeking a little more extended visits. These visits might or might not involve Holy Communion, but will involve a deeper pastoral opportunity for the person at home to explore their inner life as people of faith. The visits may also assist people to determine when extra help is needed from health care and mental health support agencies. These visits are not replacing the good work of the Holy Communion teams but are adding another pastoral opportunity. We are sure they all would appreciate our prayers.

If any parishioners wish to be visited to receive communion or for an extended pastoral care visit, please contact the Parish Office on 6254 1827 or [belconnensouth@cg.org.au](mailto:belconnensouth@cg.org.au).

### Our Patron Saints whose feasts we celebrate this week

**St Matthew** - also known as Levi - was a tax collector working for the Romans and hated by the Jews: tax collectors were considered "cheats and sinners." Matthew was neither a cheat nor a sinner. Jesus saw him hard at work in the customs house one day, "knew him" as a good man, simply said "Follow me" and Matthew immediately left his work and followed Jesus. Matthew wrote the Gospel that bears his name and died as a martyr. He is the patron saint of bankers!

**St Vincent de Paul** was born of a peasant family in France in 1581. His desire was to be a priest so he earned money by tutoring until he was able to afford his studies. His great concern was the poor and as he was able to afford it, he gave all the money he could to those who were in great need. He also turned his attention to the sick and to those in prison. He died in Paris at the age of 79 and is the patron saint of all charitable institutions.

The parish is in good hands: St Matthew who took in all the money as his job required, and St Vincent de Paul who gave all the money away - for charity.

## I September to 4 October (Week 3)

In the third chapter of *Laudato Si*, Pope Francis looks at the current ecological crisis in the light of two root causes.

**SEASON OF CREATION**

**Technocratic world view** - Pope Francis acknowledges the great benefits that technology and science have brought to the world over the last two hundred years. However, he cautions that to rely solely on technology to solve all our complex problems is risky in that it gives “those with the knowledge, and especially the economic resources to use them, an impressive dominance over the whole of humanity and the entire world.” (104). Human beings have not always used power well and this technological growth has not been “accompanied by a development in human responsibility, values and conscience” (105). In other words, the technology and its use should be seen within an ethical framework and a holistic and spiritual vision of life - . “a technology severed from ethics will not easily be able to limit its own power.”(136)

**Anthropocentrism** - Human beings have become increasingly self-centred in that they see the world and its creatures and even other humans as objects to be exploited for their own advantage. This has resulted in “use and throw away” reasoning that results in many forms of domination. “Neglecting to monitor the harm done to nature and the environmental impact of our decisions is only the most striking sign of a disregard for the message contained in the structures of nature itself. When we fail to acknowledge as part of reality the worth of [every human life] ...it becomes difficult to hear the cry of nature itself; everything is connected.” (117)

For Pope Francis, pollution and over-consumption are not the problem in themselves, they are symptoms of a far more serious disconnect in the values of society where we have failed to have an **integrative** world view.

## Ozanam Appeal

The St. Vincent De Paul Society is holding its annual Ozanam Appeal on Sunday, 27 September. It will be a retiring collection; tax deductible receipts will be available.

Our Parish has two Society conferences, Aranda and Page, and both are twinned with conferences in India. Funds raised through this Appeal will be used to sustain these Indian “twins” in their continued charitable works.

Your financial support to allow this vital work to continue would be greatly appreciated.

Electronic contributions can be made to BSB: 062-786, ACC: 14760, **Reference:** ‘Ozanam Sunday - Aranda **OR** Page’. If you require a donation receipt, please email [finance.cg@vinnies.org.au](mailto:finance.cg@vinnies.org.au) with your name, donation amount, donation date and your parish location.

- If you are **unwell**, please do not attend Mass or visit the Churches.
- The Church pews need to be sanitised after each Mass - if you can stay for 5 minutes to help sanitise where you were sitting, that would be appreciated.

### Giving & Receiving

The Archdiocese is transitioning to **cashless collection of money**. Recent events have quickened the pace of change. As per Archdiocesan Protocols, there will be **no more collection plates at Mass**. There will be collection points set up in both of our Churches (just inside the doors leading you from the foyer into the Church) to place cash or planned giving envelopes **before** Mass or **after** Mass.

**Please note: during COVID-19 restrictions, there will be no offertory procession during Mass.** Information about ways you can contribute can be found at <https://bit.ly/37Syi0O>.

**Please give serious thought to begin contributing electronically instead of cash.** If you have any questions about setting up one of the three electronic options please contact the parish office on 6254 1827 or [belconnensouth@cg.org.au](mailto:belconnensouth@cg.org.au).
